

Type of Article: Include following points Journal Name, Type of Article, Manuscript Title, Full Author names with complete affiliations Author1, Author2 and Author3

1 Author's Department, University, Country, Email ID, Contact

2 Author's Department, University, Country, Email ID, Contact

3 Author's Department, University, Country, Email ID, Contact

Corresponding Author: Corresponding author name, Affiliation, Address, City, State, Country, Tel; Fax; Email:

Abstract

The manuscript should contain an abstract. The abstract should be self-contained, citation-free, and should not exceed 300 words.

Introduction

This section should be succinct, with no subheadings.

Materials and Methods

The methods section should provide enough detail for others to be able to replicate the study. If you have more than one method, use subsections with relevant headings

Results and Discussion

This section may be divided into subsections (Results and discussions separately) or may be combined.

Conclusions

This should clearly explain the main conclusions of the article, highlighting its importance and relevance.

Conflicts of Interest

Authors must declare all relevant interests that could be perceived as conflicting. If no conflicts exist, the authors should state as Submitting authors are responsible for co-authors declaring their interests.

Funding Statement

Authors must state how the research and publication of their article was funded, by naming financially supporting

If the research did not receive specific funding, please mention as self-funded by all the authors

Acknowledgments

All acknowledgments (if any) should be included at the very end of the manuscript before the references. Anyone who contributed to the research or manuscript, but who is not a listed author, should be acknowledged (with their permission).

References

References must follow Vancouver style and be cited numerically in the order they appear in the text. Ensure all references are accurate, complete, and cited in the manuscript.

Examples:

1. Author(s). Title of the article. Abbreviated Journal Name. Year; Volume (Issue): Pages.
2. Author(s). Book Title: Edition. Place of publication: Publisher; Year.
